Inspect the finest details of an ichthyosaur and see the oldest true sauropod remains ever found in the UK in our new major exhibition: Yorkshire’s Jurassic World.

Walk on a genuine Roman mosaic floor and explore galleries packed with outstanding Roman artefacts, including the Wold Newton Hoard; the largest Roman hoard of its kind found in England, the statue of Mars; the best existing example of a Roman statue in England, and the marble head of Constantine the Great.

Marvel at Medieval treasures, including the stunning Middleham jewel, discover the incredible findings unearthed at Star Carr, Britain’s most important mesolithic site and follow the footsteps of pioneering geologist William Smith with his map that changed the world.

Built on the remains of St Mary’s Abbey in the heart of York, the Yorkshire Museum is home to some of the greatest archaeological and geological finds in Britain.

“THE PERFECT PLACE TO BEGIN YOUR EXPLORATION OF YORK”

YORKSHIRE’S JURASSIC WORLD

AS OPENED BY SIR DAVID ATTENBOROUGH

From the depths of the deepest seas to the ancient coasts and tropical shallows; meet the dinosaurs and sea dragons that once roamed our vast and ever-changing landscapes – brought to life using the latest research and ground-breaking technology.

Rediscover our prehistoric predecessors as you step into Yorkshire’s Jurassic World.

“IT’S AN EXCELLENT MUSEUM WITH SPLENDID DISPLAYS, AND MARVELLOUS OBJECTS.” SIR DAVID ATTENBOROUGH
